Join OWLS and the Multnomah County Circuit Court judges at the annual Take Your Kids to Work Day.

It is an opportunity for youths to understand the court process and justice system. This fun lunchtime opportunity gives the children in your life a chance to meet the judges, learn about the court system and participate in mock trials.

Participants will be welcomed by the judges, introductions will be made of participating judges and attorneys, then kids will move to their assigned courtrooms to begin mock trials.

Be sure to leave time to park and go through the security line.

All are welcome. No cost.

Children ages 5+ will be assigned courtrooms for mock trials.

Room 406: Ages 5-9
Room 228: Ages 10+

The judges ask that children in attendance be supervised and reminded to move quietly through the building, especially when in courtrooms.
